REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The primary reason for allowance is that the prior art of record does not disclose or suggest a process as claimed which includes the combination of treating the olefin fraction from an F-T reaction with a dehydration/isomerization catalyst followed by alkylation to produce a highly branched isoparaffinic alkylate having a research octane number of at least about 80.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion
